

I support media diversity

You are supposed to be doing what's best for the people of the United States.

Safeguarding our democracy is clearly what's best for the people.

Do not pass Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. Relaxing media rules may eventually make you personally wealthy, but it will harm our democracy.

Seek the people's will. Hold additional hearings around the nation.

Thank you,

Chris Cauble
